All School Worship

Speaker: Paster D
 Scripture: Luke 15:8-10
 Subject to change based on weather and availability of volunteer/speaker.

Ambassador Applications

Represent Prodigy!
 Applications for Ambassador positions for 5th-12th grades are due Monday, September 28th to the office.
[Application & Info](#)

PTO Spirit Wear

PLA spirit wear is back by popular demand — a simple way to support our school community while sporting some Prodigy speaker. Orders due 8 AM, Sept 28th, so grab yours before the window closes. [Order Here.](#)

PTO Discount Cards

Discount card sales help fund activities, support our classrooms, and bless our school in many ways. Each student will bring home 15 cards to sell — watch for the envelope from the office.
Please turn money and cards in to your child's teacher, not the office. Each classroom reports weekly sales to the PTO, with totals announced at All School Worship to cheer on our top-selling classes. There will be milestone prizes, too!

 Wait 6-10 seconds.
 Confirmation will pop up.

Volunteer Spotlight

This week we're tipping our hats to Coaches Matt Meyer and Mike Craig, who give hours of their time to our grades 3/4 soccer team. No one handed them a paycheck. They said yes because they care about these kids.

Thank you, Coach Matt and Coach Mike! Our players are learning to work together, cheer for each other, and keep going when the game gets hard, and they're learning it from two men who live it every time they show up. "Let us not grow weary of doing good, for in due season we will reap, if we do not give up." Galatians 6:9

Want to serve alongside them? Volunteers are part of what makes the Prodigy Way work. Stop by the office or reply to this email, and we'll help you find your spot. You can also check the [PTO & Parent Partnership Volunteers](#) sign-up for current opportunities. We'd love to celebrate you next.

Board of Directors Cascade of Information

Our Board continues to thoughtfully prepare Prodigy students for the future by exploring the role of AI and technology while keeping critical thinking, creativity, and authentic relationships at the center of learning. We are committed to teaching students how to use emerging tools responsibly and wisely without allowing technology to replace the thinking and learning that are essential to their development.

Dr. Brad Robison is guiding our team through a discipleship training building on child development to support the whole child and walk alongside families.

We are encouraged by the continued growth of programs such as our Library, Bridge, and early childhood programs.

Our team is also strengthening community partnerships and outreach opportunities that help Prodigy build meaningful connections beyond our campus. Through all of these efforts, our leadership remains focused on providing a strong, supportive, and sustainable environment where our students, families, and teachers can thrive.
